

Name: Dr. Surbhi

Designation: Associate Professor

Qualification: Ph.D (Crop Physiology)

School of Agriculture,

BFGI

Area of Expertise	Crop Physiology Heavy Metal Stress
Email ID	ajyanshi@gmail.com hodagriculture.bfc@babafaridgroup.edu.in
Administrative responsibilities	School Head, School of Agriculture
H-Index	4
Google Scholar link	https://scholar.google.com/citations?hl=en&user=nAlwJuAAAAAJ
Research Gate link	https://www.researchgate.net/profile/Surbhi-Kaul
Research paper published	Forty Eight
Workshops & FDP attended	Eighteen
Conference attended	Fourteen
Books published	Thirteen
Patent published	Five
Achievement in research and innovation	1.Worked under DST-DAAD project Molecular mechanism of heavy metal toxicity dependent Fe-deficiency in higher plants. 2. Working as co-pi under DST project Five patents
Awards	Five
